

Parc Eglos Nursery

Mystery Book Loan

At Parc Eglos Nursery we really want children to have a love of books, we thought that the mystery book loan would be an exciting way of encouraging the children to engage with stories, talk about the characters and their favourite parts.

Simply choose a wrapped up book from the box in the Tadpole's foyer, sign it out in the folder and take it home to unwrap and read with your family. When you have finished please can you wrap the book back up (in foil, newspaper, wrapping paper, material or a plastic bag) and bring it back to the box to keep the excitement going!

Please only take one book at a time but feel free to do this as often as you like.  
You could also complete a book review with a grown up.

We hope that you love the books that we have chosen as much as we do.
