'Learning today for the world of tomorrow'

Happy Friday everyone, hope you have had a happy and safe week this week. We had a lot to celebrate in our assemblies today, congratulations to all our Pupils of the week that were mentioned and received prizes from Mr. Dye. Teachers were highlighting the fact that so many children have returned this term with a mature attitude towards school life but also are incredibly impressed by the level of confidence being shown in lessons.

I Packed This Myself Project

You may have heard your child talking about the project they were introduced to this week. Children in Y2 - Y6 had an assembly followed by a special workshop. Please see page two for more info and some pics. We hope to invite parents to an exhibition later this term - fingers crossed we will be able to!!

Road Safety

We are looking forward to welcoming WPCO Julia Berry in our assemblies next week. She is going to talk to children about keeping themselves safe around roads. We want our children to be aware of how to stay safe walking along pavements as well as crossing roads and the importance of always being aware of what is going on around them. There was an accident last week outside Helston School in which a pupil was knocked over, we are worried that something similar could easily happen outside our busy gates.

Please can we ask that you remember to drive slowly when in the vicinity of our gates particularly. Sometimes there is a temptation to drive quickly down the hill past the bottom gate before meeting the oncoming traffic. Something we also need your consideration with is parking. We appreciate this is so, so difficult at the peak times of dropping off and collecting your child but we have received several complaints already this term from our local residents. However difficult parking is, it is illegal to block someone's drive if their car is parked there.

Our Y6 mini police are looking into further ideas to help with road safety. We will look forward to supporting them with their ideas.

Field out of Action

Some of you will no doubt have seen the damage to our field made by the vehicles that were on site to remove some trees last term. Unfortunately, this has resulted in the cancellation of all football clubs for the time being. We apologise for this and are acting as swiftly as we can to rectify the situation.

Happy Weekend!

Yoga

Year 2 are now in their second week of a Yoga unit in PE. The children are thoroughly enjoying learning some animal poses, linking this with our topic 'Animal Carnival'. What great balances and focus.

I Packed This Myself Project

Children from Years 2 - 6 took part in a project this week called "I Packed This Myself". We had a visit from Mirabela who shared her experiences and long journey from Romania to our country. Following the assemblies, Mirabela taught us all some words and phrases in Romanian and then we all produced some work around the theme of journeys and leaving our homes for a very long time.

A lot of consideration was given to people who have to leave their home and their country to come and live in Cornwall whether for study, for work or to care for their family. Children were asked to think about what they would take if they had to make a long journey and leave their home.
