'Learning today for the world of tomorrow'

Parc Eglos Forum Coffee Morning

Now that school is at long last getting back to normal, I would like to invite all parents and carers to a coffee and cake morning on **Tuesday 17th May from 8.45 - 10am**. I see this as a lovely chance to share with you where the school is currently and the plans for future development.

So much has changed, we have a new Chair of Governors, Keith Warham and we will have a new permanent Headteacher in September. I am delighted that Jayne Banner has been appointed for this post enabling the successful journey to continue, with a trusted, successful and high quality headteacher at the helm. It would be lovely if you could come along and enjoy time with myself, Jayne and Keith - discussing where we are as a school and how we all see the school moving forward.

We want all our stakeholders to be part of this journey and to help us plan a new School Development Plan. We will be exploring these ideas during this coffee morning. Your views are so important to us and we want to ensure that your voice is heard through a new School Forum as we plan for the future and start to devise a new School Development Plan.

Nursery News

The children in Nursery have been busy this half term planting potatoes, runner beans and peas. The children have been learning about what plants need to grow. We have also learnt lots of facts from books that we collected from the library. The children check on their beans/ seeds each week to see if they have started to grow.

Football News

Last Friday Parc Eglos Stripes played against Newquay in the quarter-final of the Diamond Shield. It was an exciting game and a great advert for primary football. We led 2-0 at half-time and Zak P completed his hat-trick with only ten minutes to play (3-1 to Parc Eglos). However, Newquay didn't give up and once they'd earned a penalty to make it 3-2, they were energised to score more. Tom, Zach and Tommy worked hard in defence and Andrew commanded his area, but the high wind was difficult to manage and worked in the opposition's favour. Louis, Max and Lewis played Zak into some good attacking positions towards the end, but we just couldn't find that equaliser for extra-time or penalties. Good luck to Newquay in the semi-finals.
