We're teaching every child to read with Little Wandle Letters and Sounds Revised

'Learning today for the world of tomorrow'

Dear Parents and Carers

Haven't we seen some beautiful sunshine over the last couple of days - I love this time of year. The days are getting longer and warmer, daffodils are out everywhere we go, it certainly makes me cheerful and happy. It looks like this sunshine will continue into the weekend too, so I hope you have the opportunity to enjoy it with your family.

Ukraine update: Thank you again for all the kind donations collected last Friday. The money has been sent to Franta and Barbara in Poland who are continuing their great work supporting refugees travelling from Ukraine to theirs and neighbouring villages. Attached are this week's updates we have been emailed so please read how the money is being used to help where it is most needed.

Wellbeing Awards: We are excited to celebrate today our first winners of our Bronze and Gold Wellbeing Award. You will remember that every child in school has the opportunity to earn a Wellbeing Award by completing a number of tasks before the end of the summer term in July. Hopefully this lovely weather will encourage everyone to complete a few more of their challenges. Good Luck

Covid update: We have reviewed our covid risk assessment register this week and despite the guidelines changing this week and free testing coming to an end from the 1st April, we will keep our usual protocols in place until the end of term on Friday 8th April. We have a number of vulnerable children and adults in our community that we still feel a responsibility to keep safe as much as we are able. We will keep you informed of the measures we will be following from the start of the summer term once we are aware of any new guidance that is released from April.

Kind regards
Mrs Banner
Co Head Teacher

Cross Country

Congratulations again to Emily who ran for County this week. Emily placed very well in the individual event and then the Peninsula team won the year 5 girls event which Emily was also part of. Pictured here with her medal! Well done!

Woodland Area

Mr Pennell has been working very hard recently to create a fantastic new area with this lovely pond, bridge and seating area!

Foundation Minack Theatre Trip

A few pictures from foundation's trip to the Minack Theatre last week. All the children behaved beautifully and had a wonderful time.
